MODEL OVERVIEW

Eternity 650 House Model

APPROX. FLOOR AREA	BUILDING FOOTPRINT	HOME CONFIGURATION
650 sq. ft.	21 ft × 31 ft	2 bed 1 bath

Home Layout and Design Character

The model provides two bedrooms, one bathroom, a kitchen, living room and space-saving laundry provision within a compact single-storey footprint. The exterior uses a simple roof form, sheltered entrance, balanced window placement and contrasting cladding for a clean modern appearance. Final room dimensions, structural sizes, foundation details, materials and approval drawings should be completed for the selected site by qualified professionals.
